Open Call to All Community Members - Share your Art and Experiences at the 3rd Annual Whispers and Roars Art Show!

Crisis Center North, in collaboration with the North Hills Art Center, is proud to announce the 3rd Annual Whispers and Roars art show for this October, which is Domestic Violence Awareness Month. Opening night will be Oct. 13. This exhibit will explore the effects of domestic violence in our community through art, performance, and expression, and we hope you will take part. Currently CCN is looking for interested artists, performers, and community members to share their experiences through art of performance. **Please make your voice heard, whether it be a roar or a whisper!**

Be a part of the interactive art exhibit "Following the Purple Brick Road," which will allow community members to contribute their feelings and experiences during the opening night by decorating pairs of shoes to symbolize the steps on a victim's path to survival. **Bring in your pair of decorated shoes on the opening night to participate, or decorate one of our pairs during the event!**
